A seamless service for getting your prescription

I've just been prescribed XENLETA or SIVEXTRO; what happens next?

Your doctor will send your prescription to Homescripts, Nabriva Therapeutics' mail order specialty pharmacy partner. Once the prescription is received, a representative will call you to arrange an easy and convenient way to get your prescription.

Reminder: Keep your phone handy; a representative will call you from a number with a 248 area code.

If you are not contacted within 24 hours of your office visit, or have questions about the prescription process, call 1-855-5NABRIVA (1-855-562-2748), option 3.

SIVEXTRO is the registered trademark of Merck Sharp & Dohme Corp., a subsidiary of Merck & Co., Inc. XENLETA is a registered trademark of Nabriva Therapeutics US, Inc.
