

Prescription Start Information Sheet

Homescripts* is available to assist with access to prescription(s).

Healthcare provider submits prescription through e-prescribing platform or via fax to Homescripts.

- For e-prescribing, please use the following information for processing requests through EMR Systems:

Homescripts
500 Kirts Boulevard
Suite 300
Troy, MI 48084
NCPDP# 2374825
NPI# 1528362076

- Fax scripts to: 1-833-406-0631

Please make sure prescription is complete, with all necessary clinical information included. Also, please be sure to include the patient's phone number so that shipment can be scheduled.

Homescripts reviews the script, checks patient's insurance coverage, and assesses the patient's eligibility for copay or other support. Questions regarding a shipment can be directed to 1-855-5NABRIVA (1-855-562-2748), option 3.

Copay assistance is available for eligible patients with commercial insurance.

- [XENLETA.com/copay](https://www.xenleta.com/copay)
- [SivextroCoupon.com](https://www.sivextrocoupon.com)

Once paperwork is completed and insurance is verified/confirmed, prescription is typically shipped within 24 hours.

*Homescripts is a mail order specialty pharmacy.
